

# End of Term Jazz Collective Showcase 2024!

<p>You will need to arrive at 17:30pm at your usual RedTape entrance.</p>	
<p>It is now time to get yourself ready for your rehearsal. Make sure you've unpacked your instrument and got your music (if you need it) whilst you listen out for instructions from your group leader.</p>	
<p>You will then get a chance to practise with your groups before the concert. This is a chance to see what it feels like to play your pieces in the performance space.</p>	
<p>You will get chance for a break between your rehearsal and the concert. This is your chance to have a drink and maybe a snack, go to the toilet and rest. Towards the end, you will be asked to pack your things away and get ready to go to the performance space - your group leader will tell you what to do!</p>	
<p>The concert will start at 7pm. You will be watching the other groups play from the audience.</p>	
<p>We think the concert will finish at 19:20pm. When the concert has finished, we will take you to collect your things and then we will bring your group to your adults. Make sure you show us who you are leaving with before you go (unless you have been given permission to leave)!</p>
