

Welcome to Let's Make Music! Rehearsals

Arrive from 4:15pm at this entrance and press the buzzer for the Foundry Studios (There will be a Music Hub sign and sticker) – Enter the building and someone will come and get you and show you into the Foundry.

Rehearsal will start at 4:30pm and Suzanne will get everyone started. Usually this will start with a warm up!

We will then play musical games, do some singing games, use some musical instruments and just have lots of musical fun!

Around halfway through the rehearsal you will get a 5 minute break so you can use the toilet and have a snack before we carry on.

**We finish at 5:15pm!
Hopefully we will see you again the following week!**

Goodbye
