

Welcome to Senior Orchestra Rehearsals!!

Arrive from 7:15pm at this entrance (accessible from Granville Road). Go through the first two double doors and you will find someone to sign you in and show you down the corridor to the room where you can chat with others and help set up until the rehearsal starts!

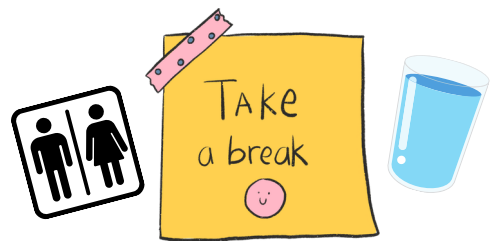

Rehearsal will start at 7:30pm and Ian will set out what you're going to be doing for the hour.

Ian might start the rehearsal by workshopping a key element/theme of one of our pieces with a small debate about how to express the music best for the rest of the rehearsal.

There's no official break in this rehearsal but if you need to go to the toilet or grab some water then feel free to.

We finish at 8:45pm and tidy up the hall. Then Ian or Rachel will lead us back to the entrance to get picked up!

See you next week!

Good Bye!

Please bring a pencil and some water to all rehearsals
