Sheffield Music Hub - Education & Skills, Sheffield City Council

## ACADEMIC YEAR: 2024/25

Sheffield Music Hub is a partnership organisation led by Sheffield Music Hub (the Local Authority Music Service) and made up of music organisations, music educators and freelance musicians. The safety and well-being of children is central to the work of the Music Hub and it is our statutory duty to care for and ensure that they are healthy, safe, enjoying life and able to achieve their full potential. Everyone who comes into contact with children and families has a role to play. It is our duty to prevent abuse as well as to report it. Every member of staff, partners and volunteers have a duty of care and must follow the guidelines for conduct and behaviour. It is the responsibility of all staff and volunteers to know who the Designated Safeguarding Lead (DSL) is for every school in which they work. Issues and concerns must be reported to a school DSL and the Music Hub DSL or DSD without delay. This may lead to a Cause of Concern form being completed and appropriate action being taken.

This policy has been drawn up using legislation, policy and guidance that seeks to protect children in England. A summary of the key legislation is available from <a href="http://www.nspcc.org.uk/childprotection">www.nspcc.org.uk/childprotection</a>
